

Dorset Adventure Park School / Group Consent Form

The activities at Dorset Adventure Park (Waterpark and Mud Trail) are of a physical nature and can cause feeling of discomfort or fear.

The Mud Trail is a woodland assault course on undulating ground with natural obstacles in addition to the obstacles constructed by Dorset Waterpark Ltd.

The Waterpark is an inflatable assault course spread over multiple lakes that also includes obstacles between trees. Participation involves swimming, swinging, slides and jumping from height.

Both activities are physically demanding and accidental injury is possible. Possible injuries include cuts, grazes, sprains and bone fractures, but more severe injuries can happen including loss of consciousness or drowning.

Waterpark participants must be aged 6 or over and be more than 100cm tall. Participants must be able to swim 25 metres unaided and be confident in the water.

The nature of the Mud Trail may result in damage to clothing. It is very important that all participants wear footwear at all times on the trail. Long sleeves and long trousers are recommended.

When using the Mud Trail, if we do not think individual children, or the whole group, are capable of an obstacle, we will not allow them to access the obstacle in question.

Before participating in either activity it's very important that we know of any pre-existing health issues which may impact on your children's participation such as Back/Neck Injuries, Diabetes, Epilepsy, Respiratory, Cardiovascular, Psychological, past dislocation injuries or other health considerations affecting a participant's performance. Please see our website for full list of medical recommendations and exclusions. You must inform a member of staff before your session if any of your children have any pre-existing health issues. If appropriate, inhalers and epipens must be with your children on their session.

For safety reasons, the maximum weight for an individual on either course is 115 kg/18 stone.

If you like any more information then please contact us prior to your session.
